## Parking is Easy in Downtown

Whether you're a first-time visitor or a local resident who enjoys all that Downtown has to offer, we want to make your Downtown experience even better. This brochure will help you locate where you can park and provides a few tips as well.

It is important to note that this map indicates only lots and garages open to the general public, and does NOT include parking that is exclusive to an establishment, or leased monthly. There are other parking lots adjacent to restaurants and businesses that are for their patrons only, and those are not indicated here.

## Free Parking in the Evenings

Event parking areas, at the south end of Downtown near the Performing Arts and Convention Centers, normally cost \$5 on event nights, but are free on non-event nights after 7pm. Several garages always have free parking after 7pm, and they are designated on this map. So, if you are willing to walk a little bit farther, you can avoid the rush and take advantage of free parking, even during events.

If you don't know whether an event is taking place or not, check out one of the following websites, [www.downtownraleigh.org](http://www.downtownraleigh.org) or [www.raleighnow.com](http://www.raleighnow.com).

## Just Ask Us For Help and Information

If you need assistance when you are Downtown, take advantage of the Alliance's Safety Patrol Ambassadors. You'll see them all over Downtown riding bikes and wearing bright green shirts. They can provide information on what's happening, escort you back to your car, or call for assistance. The supervisor on duty can be reached at 919-795-1559. Safety Patrol hours are Monday: 11am-7pm, Tuesday-Thursday: 9am-11pm, Friday-Saturday: 9am-11:45pm, Sunday during events times only.

For additional information on Downtown Raleigh, including all shopping, dining and entertainment options, you can go to [www.downtownraleigh.org](http://www.downtownraleigh.org) or call us at 919-832-1231 for the complete *Guide to Downtown Raleigh*. Questions or comments via email can be directed to the Alliance at [info@downtownraleigh.org](mailto:info@downtownraleigh.org).

Due to the variety of policies at each parking facility, it is impossible to have one map that shows all the variables. Therefore, this map is for public parking only. If you are interested in monthly parking information, please contact the Alliance office at 919-832-1231 and they will assist you.

*Enjoy Exciting Downtown  
Raleigh. Now it's easier  
than ever to explore!*
