Sassy, brassy and up-tempo to a fault, the fabulous Pointer Sisters will dazzle Raleigh audiences with three performances, all conducted by William Henry Curry!

With massive star power that has kept The Pointer Sisters in front of cheering audiences since the 1970s, they have clearly secured a place in pops history. Their first performance in Los Angeles at the Troubadour Club was hailed by critics for its versatility and range and called The Pointer Sisters “the most exciting thing to hit show business in years.” Their 1973 debut album included the popular-again single “**Yes We Can, Can,**” which reached number eleven on Billboard magazine’s pops single chart. The album was certified gold and the group became the most talked-about new act of the year.
